

SCHOOL COSTS PRESENTED BY PIERCE

Supt. of Schools Walter Pierce put the cost of a new High School, to be discussed in the coming special town meeting, at \$13,500,000. The figure was given in a discussion at the Rotary Club, yesterday noon.

'What we are talking about,' he said, is more than a new high school. We are proposing a Total Building Program.

He went on to say that the town has projected needs for more than just a new high school.

Referring to blackboard figures, headed needs, he pointed out that there are presently 112 elementary school rooms. In 1973, with the start of the kindergarten program the need will decrease to 108.

This, he said, is due to the pre-planning in the newer elementary schools, which allow for kindergarten classrooms. Some of the rooms now used by grade school classes are actually double rooms, with dividers, which would be opened to make more space for kindergarten classes. This means the amount of useable space would remain the same, while the number of rooms decreased.

'We are recommending the phasing out of three elementary schools - Swain, Walker and Whitefield, which have a total of sixteen rooms' he said. Available rooms would then number 96, with a need for 108.

He reasons for the phase-out - include aging buildings, and maintenance costs.

Other figures presented showed a need for 45 intermediate schoolrooms by 1978, or eight more than presently exist, and 138,011 square feet more for high school classes.

We are figuring on \$50 per square foot, he said. We know this sounds high. There has been some criticism that it is too high for the elementary schools... because it is a well-known fact that elementary school construction is cheaper than high school construction.

Pierce explained that the \$50 figure was 'an ultimate', the maximum cost, and takes into account such features as special equipment and library materials.

The cost of a new High School was estimated at \$13.5 million plus, the plus indicating the uncertainty involved in the cost of land acquisition. The figure to be presented at the special Town Meeting will be \$13.7 million, and will include an estimate for the cost of the land.

Alternate Plan

The total cost for an alternate plan was estimated to be \$12,315,000. Adding to existing buildings, Pierce explained, would only handle the needs projected to 1978, while the Total Building Program would satisfy the town's needs for schoolrooms for twice as long, or longer.

Questions

In answer to questions from the members of the Rotary Club, Pierce said: If a new high school is built the present one will become a junior high school. It fits into the intermediate school needs with a fairly substantial cushion. Forty five rooms will be needed, and the high school would make 56 rooms available.

The two existing junior high schools would become elementary schools.

Pierce said the School Committee had not considered pre-fabricated school buildings in detail.

Asked what the phased Swain School could be, the speaker said it would be a fine center for the youth of Wilmington.

CARD OF THANKS

The family of the late John Brown Sr. wish to express our deepest gratitude to our friends, neighbors and relatives for all the floral tributes and hundreds of spiritual bouquets and messages of sympathy for our beloved husband and father.

Mrs. Lillian Brown, John and Susan

NOTICE

NO APPLICATIONS FOR INSTALLATION OF WATER SERVICES OR BETTERMENTS WILL BE ACCEPTED AFTER FRIDAY, NOVEMBER 6, 1970

Per Order of
Board of Water and Sewer Commissioners
Ken Motschman, Supt.
Water & Sewer Dept.

VISITING FIREMEN

SENATOR RONALD MacKENZIE: And friends, Monday evening, at Rocco's Restaurant. L to R: Mrs Joan McAuliffe, Mrs Pearl Hersom, the Senator and Mrs MacKenzie, Rocco de Pasquale, Frank and Mary McAuliffe, and Mr and Mrs Charles Kelley.

Wilmington.

When asked about federal financial assistance, Pierce stated that the town could expect a 50 percent reimbursement on either plan, but that there were requirements to be met first, in plans for adding to existing buildings. He said the reimbursement would apply only to buildings, and not to land acquisition.

The reason for presenting the projected needs, Pierce said, and the building programs now, was to show the voters what to expect in the future rather than to try to sell a new school every other year or so.

Assessor Fears Zoning

The newly proposed High Density Traffic Business Zoning has the Principal Assessor of Wilmington worried.

Anthony Kreminski doesn't like the 'floating' aspect of the proposed zoning, in particular. It will, he says, destroy the values of the General Business and Neighborhood Business zones in Wilmington.

Kreminski has already told the Wilmington Planning Board that he fears the results of an adoption of the newly proposed zoning. Now he is willing to make a public statement.

The new zoning, he says, can result in lawsuits by owners of business land in town, and the town can be the loser.

GHOSTS TO PROWL AT LIBRARY

The bats will be flying and the ghosts will be prowling at the Memorial Library on Wednesday, October 28 at three o'clock. All brave elementary school children are invited to the library to hear ghost tales of spine-tingling suspense.

JOHNNY FORREST: Gets a handshake, from Congressman F. Bradford Morse, Wednesday afternoon, when the Congressman made a tour of the stores in Wilmington to greet friends.

SENATOR TED KENNEDY: Last Wednesday, with some of the Democrats of Wilmington. Selectman Jim Banda is at left, with Rep. Fred F. Cain, and Democrat Chairman Anne Visconti

Planning Board

CHANGES PLANS

The public hearing date for the Planning Board's Warrant Articles was pushed up a week by action of the Board at Tuesday night's regular meeting.

The change in date from October 26 to November 5 came about after Board Member Dan Gillis noted that inadequate time had been allowed for advertising the hearing.

According to the Town By-Laws, notice of the hearing must occur twice preceding the assigned date and the first notice must appear not less than fourteen days before the hearing.

The hearing date of October 26 had been set by the Board last week and was first published October 15. This date fell shy of the required notice time by three days.

At the urging of Gillis and fellow Board Member Bill Hanlon, the Planning Board voted to change the hearing date to Thursday, November 5, and to readvertise a hearing to cover the By Law requirements.

It was also decided to include another Article for the Town Meeting bringing the total number of proposed Articles to thirteen.

The latest Article would ask that town vote to rezone 23,000 square feet of land owned by Felice and Lucille Grossi on Main Street at the Woburn Town Line from Resi-

dential to General Business.

In other business Chairman Bill Hooper proposed the Board request that the State Conservation Service conduct soil surveys of the proposed new high school sites. This would include Roberts Estate, Allen property and the present high school grounds.

The proposal was accepted after a short discussion concerning the inclusion of aerial photographs in the request was dismissed.

In preparation for the November 5 public hearing and the November 14 Town Meeting, Board member Madelyn McKie moved that legal counsel be obtained and retained by the Board.

Dan Gillis opposed the motion saying he felt the Board doesn't need anyone to fight our battles. The comment was in reference to the controversial High Density Zoning Article.

He did agree to retain counsel for the purpose of checking the legality of the Article, and with that condition, the motion was passed.

Another subject brought up by Mrs. McKie concerned the questioning of the Board's Master Plan by the League of Women Voters. She said she had talked with one of the League members who asked why such a plan was necessary.

Discussion of the question led to three basic reasons: zoning change non-conforming plans, and the opening of Rt 93 and 1959 which made Wilmington readily accessible for

industrial and commercial growth and development.

Town Engineer Arthur Harding submitted four land plans for endorsement by the Board.

These included plans of land owned by I Fred and Carlo DiCenso, north side of Industrial Way; Anthony Paolini, land at Adams and Lime Streets; Richard Rogers and Albert Lenzi Main Street - Ricky's Dog House to divide one lot into four; and Genaro D'Urso, land east of Woburn Street.

All were endorsed by the Board with a minimum of discussion.

BIDS FOR NICHOLS STREET AND MARCIA ROAD RESURFACING

Two bids were submitted for the paving of Nichols Street, approaches to the new Cain bridge, yesterday.

The McGovern Construction Co. of Chelmsford bid \$65,641.85, and the firm of Jackson Bros. Inc. of Wilmington bid \$63,626.00.

The bids are for the paving of the unfinished parts of the road, and the sidewalks, from Shawsheen Avenue to Fairmeadow Road.

Bids for the surfacing of Marcia Road and Carolyn Road were made by two firms. Essex Bituminous Concrete Co. of Peabody bid \$7,500.00 and the McGovern Construction Co. of Chelmsford bid \$8,786.00.

The awards, to be made by the Town Manager, will be at a later date.

REBATE ANNOUNCED BY REPRESENTATIVE CAIN

A recent decision by Judge August Taveira has resulted in a windfall for Wilmington and 39 other communities comprising the Metropolitan District Sewer Commission.

Wilmington will receive a \$8,491.48 rebate, because the Court ruled that the City of Boston is legally connected to the MDC Sewer System and is no longer entitled to a 52 per cent exemption from full charges.

Representative Fred F. Cain had initiated action by Wilmington in this case, when he brought the issue to the attention of the Town Manager and the Board of Selectmen with a resolution directing the Town Counsel to participate in the legal proceedings.

SURPRISE HONORS FOR TONY DE LUCA

At a surprise assembly on October 16, Anthony J. DeLuca, the former supervising principal of the North Intermediate School was honored by the Student Council. Mr. DeLuca has recently been elected Director of the Work Study Program in Wilmington.

The Council and their advisor, Mr. Jerome Connelly, with the assistance of Mr. James Jordan, Asst. Principal prepared the assembly. Connelly made a short speech in behalf of the students and staff for the work done by DeLuca while Principal of the North and extended the appreciation of the student body for the many hours spent by DeLuca in preparing the field trips and days, Student Award Nights, and other activities.

Mike Barcellos a member of the Council read an appropriate poem followed with a selection by the NIS chorus, under the direction of Mrs. Sandra Kellan.

Steve Swisher, President of the Student Council presented DeLuca with an AM-FM Clock Radio from the Student body.

The NIS personnel, including Mr. and Mrs. Donald DeLuca, Mr. and Mrs. Faro gathered for a surprise dinner party at Bishops in Lawrence and a delightful program was prepared by Mr. Daniel Spriggs, Master of Ceremonies for the evening, Miss Laraine Geswell, Mr. James Lavender and others. Jordan spoke in behalf of all personnel, thanking DeLuca for the many years of service as Principal, and Nolan gave a toast.

Many moments of the past nine years at the North were presented by the entire staff, including an attache-type brief case.

Chamber wants Zoning Study

Members of the Board of Directors of the Wilmington Chamber of Commerce, Tuesday noon, voted to initiate talks with former Town Counsel Philip Buzzell, on the expected effect of the 'Floating Zoning' being proposed by the Wilmington Planning Board.

The Chamber members felt that the proposed zoning, although made with the best of intentions, could harm not only values of business land in Wilmington, but possibly, in the long run, of other properties as well.

AIR CONDITIONING

Do you consider air-conditioning a necessity when you go to look at a new house?

More and more Americans, in every part of the country, are requiring that their houses be air-conditioned.

Air conditioning units don't just operate in summer to cool the air. Nowadays they are apt to be in use the year around. They control moisture, current, purity, and distribution of air, as well as temperature. They are a boon to people with allergies to dust and other airborne impurities. Hay fever and asthma sufferers are much more comfortable in an air-conditioned house.

Life for the home-maker is made easier with air-conditioning, too. It isn't necessary to dust as often. Curtains and slip covers don't need to be washed or cleaned as frequently. Even the walls keep their freshly painted look much longer.

Wildcats Snap The Hex

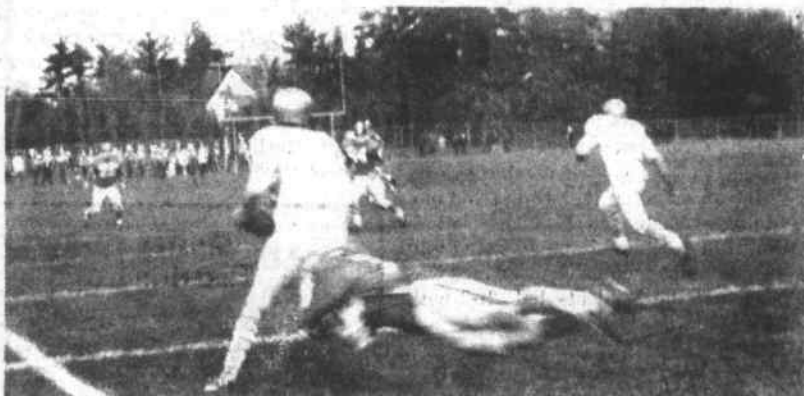

DEFENSE is the name of the game and the Wildcats proved it very well last Saturday afternoon with an impressive 21-0 win over their long-time nemesis, Dracut. The varsity is now 4-0 on the season and remain deadlocked with the Chelmsford Lions for first place in the conference.

The Lions drubbed Andover, 31-18 and Billerica stooped Methuen, 26-8 to keep pace with the Wildcats. Other conference teams in action were, No. Andover which snapped its 23 game losing streak by edging Burlington, 7-6 and Tewksbury topped Lawrence Central 14-8.

Coach Bellissimo's eleven opened the ball game, on a cold and windy afternoon, as if they were going to blow the Middies back to Dracut. Taking the opening kickoff the Wildcats marched to the Dracut 14. The drive began on their own 27 only to be stalled. The fifteen play march was spearheaded by four Gustus pass completions the biggest gain being a 24 yard bomb to co-captain, Dick Gillis which put the Wildcats in Dracut territory at the 41. Four running plays later sophomore end, Mark Jepson carried to the one yard line on a well executed end around only to have it called back by a holding penalty.

THE FIRST PASS: In the beginning of the game, was enough of a clue to show that Wilmington was going to have a rough time with the Dracut boys. One of them is shown in an excellent defensive play, spoiling Mark Jepson's chances of receiving the ball.

HE FLIES THROUGH THE AIR: Mike Rounds is shown tackling Dracut's quarterback, Bob Messenheimer, in the second quarter. Mike, it will be noted, is doing some low grade flying.

Dracut was held to 2 yards and punted out, the first of eight in the game. Martin's punt carried to the Wildcats 37 where Esposito ran it back to the 43 and the varsity was on the move again. This time they took eight plays and marched to the Dracut 24 but another offensive holding penalty pushed the Wildcats back to the 37 where Esposito punted into the Dracut end zone.

The Middies were unable to move the ball, gaining a mere four yards in three plays, and punted to their own 44. On the first play from the Dracut 44, Esposito busted off tackle eluding a pair of would be tackles at the line of scrimmage and out raced two Dracut defenders into the Middies end zone for the initial score of the game. Esposito's conversion kick was perfect and the Wildcats were ahead, 7-0 at 2:48 of the second period.

Gustus brought the varsity right back with a pair of pass completions, 18 yards to Esposito and 7 yards to Jepson and the boys were knocking on the Middies door at the 14, but a busted play resulted in an eleven yard loss back to 25 where the drive was halted.

Following Esposito's booming kickoff to the Dracut 5, the Middies set up on their own 22 with a seventeen yard return. The stubborn Wildcat defense pushed the Middies back to 14 with a pair of losses and an incomplete pass forced Martin to punt for the third

BOSTON & MAINE

time. The Wildcats took over on the Dracut 42, but were unable to move the ball and Esposito punted into the Dracut end zone.

The Middies quarterback was dropped for three consecutive losses by the defense and Martin had to punt out from the nine. The Wildcats could not stand prosperity with the ball being on the Middies 28 as Gustus threw into a crowd and Murphy intercepted for the Middies at the 20.

An incomplete pass and a minus six on a running play put Dracut in a hole at the 14 where Messenheim's attempted pass was intercepted by Dick Gillis at the Dracut 40. But again the Wildcats faltered as Gustus tossed into a crowd in the end zone, the pass was intended for Smallidge, only to have Aprile intercept for the Middies. Dracut took possession on their own 20 and moved sixteen yards to the 36 only to fumble at the 34 with Leo Campbell recovering. It was on this drive that Dracut made it's only first down of the day.

Dracut took the second half kickoff and moved from their own 34 to the 39 where they punted out with the Wildcats taking over at mid-field as Gillis ran the punt back fourteen yards. Three plays later a poor exchange between Gustus and Gillis resulted in a fumble with the Middies gaining possession on their own 41.

Again the defensive team was up to the task forcing Dracut back to the 30 as three running plays resulted in minus yardage, 11 in all. Martin's punt carried to midfield where Mike Curran's failure to handle the kick cleanly resulted in a Middle recovery. Two running plays and an offside penalty moved the Middies into Wildcat territory for the first time at the Wilmington 44. Dick Gillis picked off an errant Messenheim pass at the 35 to halt the Dracut drive. The Wildcats moved the ball to the Dracut 27 before giving up the ball on downs.

Dracut was unable to make a first down and punted out with the Wildcats taking over on their own 44. Seven plays later, at 4:33 of the fourth period Esposito went over from the four to put the Wildcats ahead 13-0. Esposito

STEVE HOLLOWAY (64) and Mike Esposito stop Dracut's O'Brien, late in the second quarter.

carried the ball six times in the drive, with the longest run being a 30 yard sweep around left end. Esposito's placement was perfect for the extra point.

Following the kickoff, the Middies were unable to move the ball in three plays. Dracut ran back to Esposito's kick 21 yards from the 9, but lost 10 yards in two running plays and punted out with the Wildcats gaining excellent field position on their own 47.

The varsity moved the ball down to the Middies 38 before being stopped. Dracut took over but was unable to move the ball again as two successive losses moved the ball back to the 28. Messenheim, on a third down play completed his first pass of the day, good for ten yards, but on fourth down his pass went incomplete and the Wildcats took over at the Middle 33.

It took only two plays to score as Gustus carried on a keeper for 9 yards to the 24. And on the second and one situation Gustus hit Esposito with a beautiful pass and Esposito streaked into the end zone unmolested. The kick was good and the Wildcats led, 21-0 with fifteen seconds left to play.

In the final analysis the defensive eleven spearheaded by Steve Holloway, George Anderson and Mike Rounds

was the difference as they held Dracut to minus 38 yards, rushing and only fifteen yards passing, for a net offensive yardage of minus 23 and only one first down.

Esposito ran the ball 24 times for 167 yards and Gillis gained 39 yards in 12 carries to pace the offensive running of the game. Again in this game the hard inside running of co-captain Gillis continues to complement the fine effort of co-captain Esposito. Billy Gustus fared fairly well in the air, completing 6 of 15 ariels for 78 yards. Billy would have been more successful except for the fact that four passes were dropped. Gustus has now thrown 6 'tds this season and only needs two more to surpass his league leading total of seven which he connected on last season.

This Saturday the varsity will host a tough Burlington eleven at the high school field.

LET'S SET THE RECORD STRAIGHT - No Double Talk!

In spite of what he says, my opponent:

- (1) Deprived you of *your right* to vote on the House cut.
- (2) *Abstained* from voting for an investigation of the \$40 million-dollar Courthouse Scandal.
- (3) Missed 170 Roll Call votes in the last legislative session.
- (4) Voted for the Worcester County Toll Road which would *duplicate* the existing freeway on Routes 52, 290 and 12, which are under construction.
- (5) Voted against an investigation of the Tenean Beach Scandal, whereby a Realty Trust stood to make a multi-million dollar profit at the expense of the tax payer.

The Double Talk does not end with the issues. It carries over to my opponent's residence. While his legal domicile is in Wilmington, it is widely known that he lives outside the district he claims to represent.

VOTE JAMES R MICELI FOR REPRESENTATIVE ON NOVEMBER 3

Political Advt. James R. Miceli, Webber Street

INSURANCE INSIGHTS

By Lloyd Bender

Life insurance loans are unquestionably the easiest, fastest and least expensive to negotiate of any other borrowing method.

Any policy that accumulates a cash value qualifies for a loan. What is meant by cash value is the money you could get by surrendering your policy - a cash value that is as good as cash itself. As a rule, term insurance policies do not qualify for loans because they have no cash value.

The interest rates are comparably low - generally five or six percent on outstanding amounts.

Your insurance agent can arrange for a loan up to the full cash value less the interest due for the balance of the year to the anniversary date of the policy.

**WATCH NEXT WEEK FOR:
MORE ON BORROWING ON LIFE INSURANCE**

Do you know what your insurance needs are. We invite your inquiry at THE BENDER AGENCY. We'll be happy to sit down and discuss your present status and your future insurance needs. Remember, Your Independent Agent serves you best. Call us soon. THE BENDER AGENCY, 380 Main Street. Phone 658-3640 or 944-7479.

Open daily 8:30 to 5 pm. Thursday evening till 9. Saturdays 8:30 till noon.

**Committed to
a better tomorrow...**

Senator Ronald C. MacKenzie

COMMITTEES

- Social Welfare (ranking Republican)
- State Administration • Commerce and Labor

ACTIVE

- Outstanding roll call record of over 97%, a near-perfect attendance spanning two complete terms (4 years).
- Member of Advisory Committees on Environmental Health, etc.

Paul Henson, Butters Row, Wilmington

Nosey Nancy

Send your announcements to Nancy, Box 208, Wilmington, or call 657-7141, and after five, 658-4865. If I'm not there I'll call you.

You young folk take notice...the Youth Center at St Thomas is going to be closed Friday and Saturday because of the Jubilee Ball. The CYO will be holding an Open House in the Center after Mass on Sunday and all parishioners are invited to see

the Youth Center and enjoy coffee and donuts.

Now, those Ecumenical Services do commence on Sunday October 25, at 11 a.m. at the Methodist Church for the first one. These are sponsored by the Council of Churches to encourage all of you to visit your neighborhood...churches...Tis Brotherhood week this week, ya know... So let's start it with this...o.k.!

Those Sons of Italy in Wilmington

are sponsoring a Stanley Party at the American Legion Hall on October 30 at 8 pm...So come and get all of the stuff to do your fall cleaning or if you have accomplished that one...come and replace the stuff you used...The money will be for the benefit of the Building Fund...and then...some...fun...the guest artist will be Roland Belanger, a fantastic Hypnotist, who has performed for Royalty in England, they tell us... Sounds good...see ya there!

Hey, now...the birdies told us that Tom, Bob's brother, is becoming a fan to this column...and those were kind words...and we will save the juicy stuff for ya Tom...if we can get it away from Flora that is... She's our Warden, ya know!

Don't you folk forget that Horribles Parade...Come all of you for a look see, if ya don't want to get ghosted or gowned...Ya got the walk from the Station...POLICE...that is to the Tennis Courts at the High School with Prizes, Coffee, and donuts... and this is the event of the month That Horrible Committee is rally

working at it...and we hear that the S of I has donated to the cause... Those are the boys and gals...WE knew you'd do it.

Hey, there Sober One...This Chick hasn't noted that big grin in the big box lately...and we do miss that one!

Leo and Kay Barry did it...all the way...the March for Drugs on Sunday from the City Hall Plaza all over Boston to the tune of 25 miles... They also want to thank in particular the St Thomas CYO and the K of C who sponsored them and the other good people in Wilmington... Their total was \$250.00... Congratulations to you Leo and Kay...we'll be enlisting you for the Track Team if Gilligan hears about you...Nice going and for such a good cause.

Did you know that Big Joe App and Peg celebrated their 25th this last week...and they were tendered a Surprise Time at the Mavrick, we hear, where all of the brothers and their wives surprised Peg and Joe on their entrance. Brother Louis said we'll go out together...and they ended up at the Maverick with the whole do... Lovely gifts and cards too...So, our Congratulations to you two... and may there be many more!

Get down to that Shawsheen School for the Open house on October 29th from 7 to 9 pm when the staff will be showing the brand new building. This is sponsored at this time in conjunction with American Education Week...but we'd like for you all just to view that school that is coming out of your hard earned dollars for your kids...Go there, Go!

Anna Stanley dropped us a line this week and it seems that Alice (Ytanley) Cassidy is in the hospital at St John's for major surgery and would like to hear from you all... Let's make with the cards, there Gals and do the same job you did for Harold McK...Right...Thanks a bunch!

And Everett who was in Basic with No 2 Son went back to VietNam in August...and is missing his TC... We checked on it and probably there is a Willie citizen in the mail room or something en route cause it's leaving here we understand...but

will make certain of that when Henry comes back...anyway she says he's doing well and is in good spirits and she thinks that his early training at home, in school, and church has kept him in good stead with the Lord who looks after all of our boys over there...Well...this Chick certainly hopes that God will see fit to help the President ease the situation so, that the boys won't have to be over there much longer...She then goes on to add that 'We all enjoy your column...and of course the TC' which are the kind of words we like to hear...Thanks for your letter, Anna, and how about one from you...Everett? We can use some...Lots of luck!

Tom Coates of 40 Park Street is in the Freshman Class at Bryant McIntosh Junior College in Lawrence He's registered in the Business Management Course...Congratulations there, Tom!

Now, that Big Daddy Les White does tell this Chick that he needs some new FISH volunteers...since a few of the others are incapacitated thru no fault of their own...So call FISH at 657-7778, and let them know that you'll do your Thing...and what your Thing is...It's Brotherhood week ya know...and if there's ever Brotherhood in action hereabouts, this FISH program is it...Ask someone that needed their Help and see what the answer is!

Hear this...All of you folks that didn't get to meet the Senator Ron MacKenzie last Monday night...He will be at the DeMoulas Shopping Center on Friday and will be dropping over to John Lucci's Market around the Supper Hour with the hockey hand and the fabulous grin...So get down there and say hello...and ask him about a few of the issues before the legislature...That's the Group!

Here's your chance to know your Senator...and he's spending quite a good deal of time in Willie, so he certainly thinks that YOU are important...

Then we think that virus is under control and it crops out in another spot...Well, c'est la vie...and we're getting younger every day!

LEAGUE OF WOMEN VOTERS STATEMENT TO VOTERS OF WILMINGTON

The League of Women Voters has practiced participatory politics for fifty years. Our purpose has been and continues to be one of helping people work effectively through the political processes as they exist and to change these processes when they no longer work. In order to accomplish this purpose, we, as an organization, take action on Legislative Issues Never on Candidates or Political Parties.

The Peoples Initiative Petition to reduce the size of the House was a legislative issue this past spring. The Joint Session of the Massachusetts General Court voted the proposed Constitutional Amendment down, therefore there is no referendum question for the cut on the November ballot. The League will continue to work for legislation to reduce the size of the House of Representatives in the Commonwealth of Massachusetts. We believe in the positive effect the reduction would have on our legislative processes.

Because of the method which brought the defeat of the proposed legislation, the Voters of Massachusetts have made the House Cut a Campaign Issue between the candidates seeking to be elected in November. Since there is NO legislative act pending in November, the League believes that to take action NOW would be construed as partisan or support or opposition to candidates seeking election. The League continues to support its position on the size of the House as it continues to support its position on legislative issues that are part of its program on the local, state, and national levels. The League as an organization will not support or oppose any candidate.

The question now is whether the Voters of Massachusetts believe that they should have a voice in their government as over 150,000 believed when they signed the Peoples Initiative Petition to propose an amendment to reduce the size of the House.

Remember YOU must exercise your right to have a say in your government. YOU, the Voter, must vote on November 3rd for the candidate of your choice and for the views of your choice on the referenda questions.

League of Women Voters of Wilmington

AFFILIATED WITH

League of Women Voters of Massachusetts

AND

League of Women Voters of the United States

NOSEY NANCY

Now, this year the Congregation Gals are using their imagination. They are holding a Luau - Hawaiian type on November 7 from 10 to 5. They promise something for all ages...like a Country Store, Knitting Table, Linens, Food, Balloons, Plants, Mod Flowers, Children and Grabs, Hawaiian Leis, and Children's Amusements with a snack bar and tea room swinging all the day also. There are still a couple of stands that will be surprises...and all of those hard-working people want you all to take yourselves down there for the Hula. Will there be a Hula...Carol? Should be...That would get them there. Mebbly Foster Balsar would volunteer. Let us know about that one. Anyway Plan that date on your calendar. Got it?

Hey ya did it...and this Gal blesses you to add to the thanks of that Dapper Harold McKelvey, who sounds much better this day than he did last week from St John's Hospital. You sent him a bunch of cards - 100 or more he thinks...and is he ever tickled and am this Gal proud that you responded so well. Thanks to each and every one of you for making his stay pleasant.

Then that Dapper Harold did tell us that one of our favorite people - Father Croke - was up to visit him...and he says the good Father is fine. Glad to hear it, because we've missed his smile lately on the Post office circuit.

Then, don't forget the Country Fair in the Fellowship Hall on Saturday from 10 to 5 with tables and a tea room by the Cadette Girl Scouts Troop 215 for the trip to Nantucket in June 1971...and that's a worthwhile one too. While the Pas are raking the leaves...why don't you Mas take a jaunt down to see what it is all about and do a little Christmas Shopping. That's my group!

That Sunday Night Take In by the MYF where appeared Selectman Miceli and Senator MacKenzie was a happy sight. There were many teenagers of every church...with a panel of four and the boys were asked astute questions. We can see that this 19 year old vote is going to be a well-educated one and we were really happy with the job that Jim did in answering the questions...and Senator Ron shed much light on some issues on the Shea Bill and the Drug Commission that this Chick had been thoroughly confused about. Mr and Mrs Al Lanni and Mr and Mrs Walter McNamara from the School Board were there along with many other folk from the Town...and there wasn't any generation gap that night. Congratulations to

Ken Butler, who is the adult advisor and sponsored the group.

The, with the other pliticking this week. The Roc rushed home from his shooting a goose down at Plum Island on Monday to open the restaurant doors with Coffee Cider and donuts to the Townsfolk in honor of the Senator and Jan MacKenzie. It was a good group that turned out with Bernie and Helen Brady of Sweetheart Platics, Tony of Anton's and Wilmington Cab, Charlie and Mrs Kelley, Al and Mrs Lanni, Paul and Mrs Godzyck to mention a few...and most of all...Mrs Wavie Drew came to see young Ron...and Carl and Mrs Backman...and Joe Courtney and it was good to catch Paul Niles on his infrequent visit to Willie...and many others...too many to mention...but it was a success cause Fred F appeared with Jimmy and George Quinn before he went off to a coffee party of his own...and that's the way we like to see the job going Boys. Our thanks to Roc for his hospitality and wait until we catch up with that Big Bender who was missing in Florida while we were all slaving here. It was all fun though...and then Jan MacKenzie invited us to a tea for Mrs Don Dwight today, which sadly we had to miss, because we had an appointment and those kids keep right on eating all the time...anyway we sent the other Swining Grandmother from the Red Plush Pad...and she was a success. This gal is sure. My it's nice to have an alter ego to do your socializing. Pearlise Babes is just great.

Don't forget...If Drugs are a Worrry to you, you can call 935-5966 between 9 am and 10 am on Monday through Friday, and ask questions or discuss your problems without giving your name. And now, we're really getting where it's at. Right Kids! What do you think about it. You're unusually quiet lately. Let's hear what you think about this...please!

So, provided the bugs don't catch us again this week, or the computer doesn't talk back or somethin...we'll be hassling you again next week...

Meanwhile...Love Ya!

ALEXANDRITE

One of the less familiar gems is the Alexandrite. It's exciting and a bit mysterious. Daylight causes it to look green, while artificial light turns it red. This strange coloring is due to small quantities of chromic oxide.

The quality of the Alexandrite is based upon the changing of color. Gems that change properly under varying light are rare and expensive. They include among the world's finest gem specimens.

The name - Alexandrite - originated in Russia. When Tsar Alexander II came of age, such a gem was a ceremonial gift. From the early 19th century until now, the stone perpetuates his name.

Alexandrites of lesser perfection are also exceedingly lovely. Properly mounted they're beautiful.

If one has not seen an Alexandrite, they should do so. Nature gave us a gem with a changing personality to match her own.

Omer Houle's Program Helps Wounded Veterans

A little more than a year ago, a Wilmington man saw a television documentary about hospitalized Viet Nam veterans and the problems of rehabilitation.

'The hospitals were doing a great job, as far as the physical condition of the veterans,' said Omer Houle, 48, of 60 Chestnut Street. 'But there was little being done for the patient's mental condition.'

A senior mechanical engineer for Raytheon Company in Burlington, Houle wondered what he could do to help. He decided to try teaching the vets, many of whom are disabled and lack even a high school education.

Houle's idea of a volunteer tutorial service led to discussions with the Administrators of Chelsea Naval Hospital, and the formation of a program called Schooling for Hospitalized Veterans (SCHOSVET).

IN THE CHELSEA NAVAL HOSPITAL: Omer Houle (standing) talks over plans with Navy veteran John Pratt, of Exeter, N.H., who was wounded on October 5th., just 13 days short of a year from the date of his arrival in Vietnam.

The program at present utilizes five instructors who tutor patients in any of 25 courses ranging from English and History to Data Processing and Electronics.

'First we ask the boys if they'd like to further their education. If they express an interest in the program, we have them fill out forms which beside the usual background information asks what subjects are of interest to the individual.'

'It's interesting that many of the patients, especially those who had trouble in high school, want to take up History,' added Houle.

The only requirements for entrance into SCHOSVET are that one be a hospitalized veteran and have a desire to learn.

Support for the program was gained from several area firms at the initiation of founder Houle.

The Red Cross, Wang Laboratories Inc., Time Sharing Terminals, Call-A-Computer, 3M Products, Data Educational Inc., and Rapidata have offered assistance to SCHOSVET in the form of a computer teletype, free computer time, tests and courses, and financial assistance.

Individual instruction is the basis of the program with course content and progress dependent on the patient. To date, 25 patients have completed such tailor-made courses with 20 more enrolled.

The tutoring process is designed so that 'each man becomes a classroom,' explained Houle.

Small groups of two or three patients may also hear lectures or view slide presentations and demonstrations.

The Wilmington man, six years a resident, married, and the father of two children, often devotes 30 hours

a week to the schooling program as math instructor and program coordinator.

'The hospital has excellent doctors and their primary concern is the patient's physical schooling. Our concern is his mental schooling.'

'It may sound incredible, but we've found that there is a correlation between a patient's mental health and his physical health,' said Houle.

He explained that while he didn't understand the why of it, doctors feel that the schooling and the energy involved in mental work is a positive factor in the overall condition of the patient.

A veteran himself, Houle finds a great deal of accomplishment in volunteer work at the hospital and is enthusiastic about the future of the program.

'We have plans for a newsletter and are always looking for more volunteers to help expand the program into other fields. We have the equipment, materials, and the full support of the hospital. Now, we need more people.'

He is presently seeking to gain official recognition for SCHOSVET since many of the patients-students would like to earn high school certificates. More important though, the program is designed to one end - the general development of the patient.

LITTLE JOINED WILMINGTON ROTARY

Derek R. Little, newly appointed Assistant Superintendent of Schools of Wilmington became a member of the Wilmington Rotary Club on Oct. 21. He was a charter member of the Rotary Club of Marshfield, and was inducted into the Wilmington Club by past president Dr. Henry Foster.

OIL HEAT SERVICE

312 Main St., Wilmington

this season, before winning their fifth game of the season. On the first play following the opening kick off Newton scored on a 52 yard run. The point after attempt failed and the Chargers trailed, 6-0.

Following the ensuing kickoff the Chargers marched 47 yards in seven plays with Randy Foster capping the drive with a 9 yard burst off right tackle. The rush for the extra points failed and the score was tied 6-6. The Mighty 'Mite, Richard Fiorillo put the 'C' eleven ahead to stay later in the opening period with a beautiful draw play up the middle for 39 yards and a Charger touchdown. Mark Peabody ran for the two points and the Chargers led 14-6 after the first period.

A fumble recovery at the Newton 23 by John McNaughton set up the third 'C' touchdown as Fiorillo broke off tackle from the 14 on the third play following the fumble recovery. Peabody again rushed for the two points. Jack Nickerson tipped Newton pass into the hands of Paul Jepson at the Newton 36 on the next series of down to provide the Chargers with another opportunity to score, and they did with Peabody cracking over from a 5 on a fourth down play. Fiorillo rushed the two points.

A blocked punt late in the fourth period by McNaughton set up the fifth Charger score as Bob Kohler recovered at the Newton 15. On the first play, following the recovery Peabody swept right end and a Charger 'td'. Buddy Hubby ran for the two points and a 38-6 lead. Newton scored later in the period against the second unit to being the final count to 38-14.

In Sunday's twin bill at the High School Field, the 'B' Squad had to be satisfied with a scoreless tie with an undefeated Melrose Eleven. Only once did either team have an excellent scoring opportunity. Melrose moved to the Chargers six early in the second period on an excellent 36 yard run and if it were not for a hustling Arron Brown, the Red Raiders would have scored. Brown caught the Melrose runner from behind at the six. But the Chargers defense stiffened pushing Melrose back to the 20 where an errant Red

Raider pass was intercepted at the 10 by Les Peabody.

The Chargers made their initial first down of the game at 5:49 of the third period. In the most sustained drive by the Wilmington eleven, all afternoon, the Chargers moved from their own 27 to the Melrose 43 before being halted. The drive encompassed eleven plays.

Melrose fumbled on the next series of downs with Bob Sferrazza recovering at the Red Raiders 41. But the Chargers were unable to move the ball and Melrose took over. Late in the game, the Chargers moved to the Melrose 30, their deepest penetration all afternoon, but a pair of incomplete passes foiled the drive.

In the final statistics Melrose made 3 first downs and 66 yards total offense, 65 of which came in the first half, while the Chargers netted 58 yards, after gaining a mere 6 in the first half.

In the feature game of the afternoon, Coach Barry's eleven suffered its second successive loss this time to the tune of 20-6. Playing without two starters in the back field, Carl Butler did the bulk of the running carrying the ball 12 times for 46 yards. The 'A' team is now 2-3-1 on the season.

Midway in the first period, Bob Dorval recovered a Melrose fumble at the Wilmington 46, and the Chargers moved the ball to the Red Raiders 24 before being halted. Three plays later Melrose scored on a 65 yard run. The rush for the extra points failed.

Melrose scored again at the 3:54 mark of the second period on a 59 yard drw play after forcing the Chargers to give up the ball at the 46 yard line.

It was not until late in the period 9:52 to be exact, that the Chargers scored. This came on a half back option pass attempt for the extra points failed and at half time Melrose led, 12-6.

The Red Raiders took the second half kickoff and marched 67 yards and their third touchdown of the afternoon to put the game on ice. The 14 play drive was highlighted by a 25 yard touchdown run by the Melrose Tom Smith who should have dropped for a ten yard loss, but he alluded four would be tacklers and streaked across field into the end zone. A quarterback keeper netted the points after and a 20-6 Melrose lead.

A fumble recovery late in the fourth period by Brian Anderson set the Chargers up in excellent field position at the Melrose 21, but the drive stalled at the six and the Red Raiders went home with their fourth win of the season.

All three teams will see action this weekend with the 'C' team traveling to Newton Saturday morning for an 11 am encounter with the Steamers. A non-league double header is on tap for the 'A' and 'B' Squads Sunday afternoon with West Lynn at the high school field.

HALLOWEEN HORRIBLES PARADE ON OCTOBER 31

The Horribles Parade Committee invites all residents of Wilmington to the Parade on Oct 31.

This is for the old and young and the fee is one costume to enter

It will start at the Police Station at 6:30 pm and march along CHURCH St to the Tennis Court at the High School.

Prizes and refreshments for those in costume plus coffee to adults.

Organizations of the town and some individuals are sponsors for this parade. Contributions are still being accepted at P O BOX 382.

The solicitation questionnaire, and statement of account has been cleared by the Chamber of Commerce.

Let's join together to make this a happy and safe Halloween for our Town as it has been in the past, for we are proud of our Town.

Volunteers from all organizations and individuals are needed as parade marshals along the route to insure safety for all.

Get your costume ready for Oct 31 and join the fun. Volunteers call 658-4837 or 658-3035.

ROBIN SULLIVAN EQUESTRIAN CHAMPION

Robin Sullivan, a freshman at LSC majoring in French will represent New England for the New England Quarter Horse Association.

Since she started to compete at the age of 11, Robin has collected numerous trophies throughout New England. This year alone, she accumulated enough points to participate at Columbus, Ohio at the All-American Quarter Horse Congress on October 25. She will represent Reining and Pleasure with her horse Kami Kat Cody.

Robin is the daughter of Mr and Mrs Thomas Sullivan of Dartmouth Avenue in Wilmington.

Deaths

SERVICES TODAY FOR ANNIE J (LYNCH) BALDWIN

Annie J (Lynch) Baldwin of 11 Jones Avenue in Wilmington died at the Winchester Hospital on Monday morning after a brief illness.

Mrs. Baldwin was born in Everett 53 years ago and was the daughter of the late George W Sr and the late Josephine C (Leonard) Lynch, and had been a resident of Wilmington for most of her life. She was a communicant of St Dorothy's Church.

She is survived by her husband: Charles J Baldwin and four children Mrs Karen A Scott, Kenneth C. Keith G., and Miss Kim E Baldwin all of Wilmington; three sisters: Mrs Allen J (Adeline) Riley of Wilmington, Sister Marie Carmel of Fall River and Mrs David (Josephine) Powers of Arlington; five brothers: George W Jr., Arthur V., Paul J, Chief of Wilmington Police Department, William J., and Alfred E ALL OF Wilmington.

The funeral was held from the W S Cavanaugh & Son Funeral Home 374 Main Street this morning at 9:15 am, followed by a High Mass of Requiem at St Dorothy's Church at 10 am. Burial took place in the family lot at the Wildwood Cemetery in Wilmington.

WILLIAM E ROGERS PASSES AWAY

William E Rogers of Fenway Street passed away at Choate Hospital in Woburn on Tuesday after a lengthy illness.

He was born in Winchester sixty years ago and was the son of the late Jame H and Sarah C (O'Brien) Rogers and had been a resident for the past forty years of Wilmington. Before his retirement, he was maintenance supervisor for Hewlett Packard of Lexington.

He was a late member of Bishop Delaney General Assembly 4th Degree Knights of Columbus, and Wilmington Knights of Columbus Council 4982 also Past President of St Thomas Holy Name Society.

He is survived by his wife Dorothy

M (Veinot) Rogers and was the father of Mrs Rose Marie Draper of Dunstable; Mrs Dorothy M Boutwell of Pinehurst; Mrs Beverly a Petrucci of Tewksbury; and the late Mrs Judith Russell of Wilmington. He is also survived by his two sisters: Miss Martha E Rogers of Indiana, and Mrs Ruth Falasco of Wilmington; and his brother James Rogers of Wilmington; and eleven grandchildren.

The funeral will be held from the W S Cavanaugh & Son Funeral Home 374 Main Street on Saturday at 9:15 am followed by a Solemn High Mass of Requiem at St Thomas Church at 10 am.

Burial will take place in the family lot at Wildwood Cemetery. Visiting hours will be held at the funeral home on Thursday 7 to 9 pm and Friday 2 to 4 and 7 to 9 pm.

LLOYD C PUSHEE DIES SUDDENLY

Lloyd C Pushee, of Twelve Washington Avenue in Wilmington died at his residence unexpectedly on Sunday afternoon.

Fifty-one years of age at the time of his death, Mr Pushee was born in Worcester, the son of Marion Pushee Lind of Worcester and the late John M. Pushee. He had been a resident of Wilmington for the past 30 years, and at the time of his death, was employed as a machinist for General Electric in Lynn. He was also a member of Local 201 IUEW.

He is survived by his wife, Mary C (Steinkrauss), and two daughters Mrs Kathleen E Joy of Chelmsford and Miss Mary C Pushee of Wilmington; also 2 grandchildren.

The services were held from the W S Cavanaugh & Sons Funeral Home of, 374 Main Street on Wednesday at 9:15 a.m. followed by a High Mass of Requiem at St Thomas Church at 10 am.

Burial took place in the family lot at Wildwood Cemetery.

LICENSED BROKER

Letters

Dear Larz:

I would like to clarify a misconception which I feel may have been received as a result of a letter printed in your paper last week concerning the School Committee's vote for William Fay on October 1st.

The Committee spent the early part of that evening interviewing the five final candidates for the position of Principal of the North Intermediate School. After the interviews were completed, Committee members nominated two candidates, Mr. Fay and one other person. The vote was 4 in favor of Mr. Fay, and Miss Imbimbo and myself in favor of the other candidate. It was not until Mr. Fay had already been elected to the position on the 4 - 2 vote that the vote referred to in the letter was taken. There was then a motion to hire Mr. Fay at a specified salary beginning as soon as it could be arranged for him to take on the position. This is the motion that passed on the 5 - 1 vote. Frankly, at this point, my feeling was that Mr. Fay had already been elected by the previous vote and nothing would be accomplished by voting against the motion which established the salary and starting date.

This may also be the time to clear up another misunderstanding about this meeting and similar meetings at which people are elected to fill positions. It is true that interviews of candidates are held in executive session. (If you were applying for a job, would you want an audience at your interview?) However, voting is done in open meeting and the minutes of any open meeting are available to any citizen who wishes to see them as soon as they have been accepted by the committee.

I would also like to take this

opportunity to say that although Mr. Fay was not my first choice to fill this position, I do think he is capable of doing a good job, and I trust that citizens, parents, and school staff will give him their utmost cooperation, so that the education and well-being of our children will not suffer in any way.

Yours very truly,
L. Barbara Hooper
Mrs. William G Hooper, Jr.

Dear Mr. Neilson:

On behalf of the League of Women Voters of Wilmington and the other 104 Leagues in the Commonwealth of Mass. I am replying to your editorial challenge and 'critique' in the Town Crier issue dated October 15, 1970, concerning the Reduction of the Size of the House of Representatives in the Commonwealth of Massachusetts.

The League and over 150,000 petition signers are dismayed that there is no referendum question concerning the proposed constitutional amendment to reduce the size of the House. Many people worked very hard and long to try to bring this question before the voters of the Commonwealth so that they might hear all the pros and cons in an open presentation and discussions. The VOTERS of Massachusetts then would have been able to have a legal say in their government particularly the size of the legislative body that they elect.

To isolate half truths or quote partial statistics, as is being done is not being fair to the voter and does not evaluate the House Cut Proposal for its merit. One such statement is the one pertaining to minority representation, let us assume that the redistricting was carried out fairly, the minority Representatives from Boston (House ratio 2:240) there would still be 2 giving a ratio of 2:160.

However, the real question NOW does not concern the House Cut as much as it concerns why there was so much publicity and voter reaction in the spring. The real question being asked by the Voters of Mass. is:

IF I am qualified to vote on a National War Policy - even if it is for opinion only.

IF I am qualified to vote on property classification which will effect my income as well as other residents and businesses.

IF I am qualified to vote on single member districts and change some

voters representation.

IF I am qualified to determine who can vote and at what age and after having a residence after a certain amount of time.

IF I was qualified to vote on Home Rule - allowing local communities to determine certain policies.

IF I was qualified to vote on a Sales tax.

WHY am I not qualified to vote on the size of the Legislative body that is to represent ME. I am qualified to vote for the people that make up that legislative body.

The Issue concerning the Reduction in the Size of the House is not Dead. The League will continue to work to see the size reduced.

The League will continue to encourage people to participate in their government, to be aware of the issues and the candidates to be informed about the views of their representatives on the issue and to continually strive for a government that is truly participatory and not only an illusion.

The House Cut issue is not in the hands of the candidates for election. The issue is there because of the people. The issue will eventually be decided by the people. It is unfortunate that the decision will not be made by a VOTE of the people on a referendum question on the November ballot.

The League of Women Voters of Wilmington and the League of Women Voters of Mass. stand behind their House Reduction Position and will continue to support legislation to that end.

Very truly,
Vernice Hensley

President,

League of Women Voters of Wilmington

CUB SCOUT PACK MEETING

Cub Scout Pack 56 will hold its monthly pack meeting on Monday October 28 at the Congregational Church at 7:30 pm.

The theme this month is Halloween. Appropriate refreshments will be served.

HOME OWNERS CORNER

by Roger

Prefinished wall paneling has become very popular with homeowners and is widely used today in recreation, dining, living rooms and kitchens.

Keep one thing in mind: panels should be stored for about 48 hours to adjust to the humidity conditions in your home. Take off all wrappings and lay the panels flat with spacers between them to allow air to circulate freely around them.

After this required period of storage, you will be ready to begin your paneling job - and with satisfactory results!

Begin your remodeling jobs with a visit to A.B. SWEEZEY, INC., 615 Main St., 658-2051. All types of Weldwood Paneling.

We will design and custom make your kitchens. Armstrong and Nu-Wood Ceilings. Pella, West-Pine Combination Windows and Doors. Free Delivery. Open Daily 8 a.m. - 5 p.m., Fri. 8 a.m. - 9 p.m.

HELPFUL HING: For sticky ice trays - rub in oil or keep was paper on bottom.

Medicare - how do you know when you are covered?

The rule is that to qualify for hospital insurance, you have to be 65 or over and eligible for monthly Social Security benefits, although there are some exceptions to this.

When you become 65, a form (SSA-1966) is sent to you which certifies your right to Medicare. The card lists your personal claim number and the effective dates of your hospital and medical protection.

When both you and your wife, for example, are covered, you each receive a separate card.

When your card is shown to a hospital, no other action is necessary. The hospital becomes entitled to receive government payments in your case.

Many pharmacies honor this under such care. Come to SILVER LAKE PHARMACY, 52 Main St. for complete prescription service. Open 9-10 EVERY day. Tel 658-4617. Candy, Assorted Greeting Cards Cosmetics.

HELPFUL HINT: X-rays, laboratory, and other diagnostic tests are covered by Medicare.

SILVER LAKE PHARMACY

Louis Hailson, Reg. Pharm.

WHERE YOU GET THE RED CARPET TREATMENT

How to
save about
\$900
and lose
\$3,000...
right on your
own home.

Don't laugh. It could happen. For instance, suppose you decide to sell your house.

Yoursell. You do. For \$15,000.

Great. But how did you arrive at that price? By guesswork. It takes a lot more than that to determine a property's value. It takes a Realtor who knows houses and what they're worth.

He might find yours was worth \$3,000 more. A fair price to buyer and seller. Of course, you'd save the Realtor's fee. But at quite a cost.

So when you decide to sell a house, use one of our Realtors. We're pledged to a strict code of ethics.

That's good. Especially if you want to make the best sale you can. Or, for that matter, the best buy.

Your Realtor®
Somebody good to have working for you.

**NOTICE TO CONTRACTORS
INVITATION TO BID**

Sealed bids to supply petroleum products to the Town of Wilmington will be received at the office of the Town Manager, Town Hall, Wilmington, Mass. 01887, until Thursday, November 5, 1970, at 11:15 a.m., where and when they will be publicly opened and read. The Town of Wilmington reserves the right to reject any bid or all bids or any parts thereof not deemed to be in the best interest of the Town of Wilmington.

Sterling C. Morris
022 Town Manager

DRUG COMMITTEE

The Wilmington Drug Committee, acting on the directive of the Town Meeting, last March, to assess the problem of Drug Abuse in Wilmington and to provide some direction for the Town to take on this problem have been involved in several programs.

The Committee is working cooperatively with the School Board to assess the extent of drug abuse and dependency in the Town. They have also established liaison with the Family Living Program in the schools. The program, under the direction of Patricia Gagnon, will be responsible for drug education in the schools.

In a recent meeting with the School Committee, the Drug Committee submitted some suggestions for possible areas of concern for drug procedure in the schools. Two representatives from Wilmington, Les White of the Drug Committee and Bruce McDonald of the Board of Selectmen, have been active on the Board of Directors of a regional drug treatment and rehabilitation program. The program, originating in Lowell under the direction of Dr Paul Streudler, is called SHARE.

SHARE is a three-pronged program aimed at education and counselling to prevent drug abuse, case finding and treatment of drug abusers and the rehabilitation of the abuse.

The facilities planned by SHARE will include a central unit in the core city (i.e. Lowell) to administer the program, day care centers for the rehabilitation of the ex-addict, and drop-in centers in some of the member communities which will provide counseling. The drop-in centers, or staellites, will also actively seek out the users in the communities to guide them into the program.

SHARE is planned to include nine member towns, several of which, such as Tewksbury and Chelmsford, have already approached Town Meeting and have been provided with funds to join the regional program. Several other communities are planning to approach Town Meeting in the near future. Wilmington is one of these.

The cost of the entire program will be approximately \$280,000 pr year. Some of the financing will be provided by the State. Federal funds and private donations. The remainder will be borne by the local communities. Each town is assessed \$.60 per person to raise the money. The assessment for Wilmington is \$10,200.

The Wilmington Drug Committee after much extensive research is aware that any approach to education and rehabilitation of the drug abuser is expensive to the local community. It has been estimated that to run a drop-in center alone, costs approximately \$30,000 per year. This does not cover other programs and other facilities which SHARE can provide.

**PATRICIA HANLEY
AT CONVENTION**

Dr. Patricia Hanley, of 13 Marcus Road in Wilmington attended the 19th Annual Podiatry Science Conference at the Holiday Inn in Providence Rhode Island.

The conference dealt with recent research and new techniques to enable the podiatrist to provide the best care available. Seminars were held on Medicare and Medicaid coverage and a training course given podiatric assistants.

In August 1972, the national convention of the American Podiatry Association is scheduled for the Sheraton Boston Hotel and the Hynes Memorial Auditorium.

TOWN OF WILMINGTON

PLANNING BOARD
PUBLIC HEARING

A public hearing will be held in the Town House (former Mildred H. Rogers School) on Grove Avenue at 8:00 p.m. November 5, 1970, on certain articles to appear in the Warrant for the next Special Town Meeting. The articles will be discussed in the following order:

ARTICLE - To see if the Town will vote to amend Section I-2 of the Zoning By-law by the addition of the following, or do anything else in relation thereto:

7. High Density Traffic Business Districts (HDTB)

ARTICLE - To see if the Town will vote to amend Section II Definitions of the Zoning By-law by the addition of the following, or do anything else in relation thereto:

13. Drive-in Restaurant. A restaurant or eating place in which food and/or beverages are served to persons for consumption in automobiles or other vehicles, regardless of whether such service is exclusive or in addition to indoor service.

ARTICLE - To see if the Town will vote to amend Section III of the Zoning By-law by the addition of the following, or do anything else in relation thereto:

5. Uses in High Density Traffic Business Districts.

A. In a High Density Traffic Business District, the following uses are hereby permitted:

1. Restaurant or other place for the sale and consumption on the premises of food or non-alcoholic beverages, provided that no dancing is permitted and no entertainment is furnished.

2. Commercial parking lot or parking garage; filling or service station and any accessory use thereof; salesroom for new automobiles; open lot parking or sale of new or used automobiles when operated in connection with, and on the same site as, such a salesroom; salesroom for boats, trailers, trucks, farm implements or farm machinery.

3. Indoor amusement or recreation place or place of assembly, provided that the building is so insulated and maintained as to confine noise to the premises.

4. Showroom, provided that storage is limited to floor samples.

5. Any business for the sale of unused merchandise at retail on the premises, including the sale of furniture and other bulk items.

6. Hotel or motel, subject to the following conditions:

a. For the purpose of this by-law, a motel shall be defined as a structure or structures containing sleeping rooms or one or more rooms attached to each other, and intended to be rented for brief periods of time for the accommodation of travelers or tourists, with a public restaurant as an accessory use attached.

b. The minimum lot size shall be 120,000 square feet, having a minimum frontage of 300 feet along a public way of the Town. The gross ground floor area of all buildings, including covered walkways and carports, shall not exceed forty (40) per cent of the gross of the lot; and shall connect with a municipal sanitary sewer.

c. Any structure used for said purpose shall not exceed two and one half (2½) stories or thirty-eight (38) feet in height, but shall be constructed in accordance with the standards specified in the Town Building By-Law in Division No. 2 DEFINITIONS for 'First-Class Building'. The living floor area shall be no less than 20,000 square feet and shall include no less than fifty (50) sleeping units and public restaurant with a seating capacity of not less than (100) persons. No sleeping room shall be located below the mean finished grade of the ground adjoining the building, and no sleeping unit shall contain cooking facilities.

d. Front Yard - No motel shall be permitted within one hundred (100) feet of the sideline of each street on which the lot abuts; Side Yard - There shall be provided side yards of not less than fifty (50) feet in width, which may include a driveway; Rear Yard - There shall be provided a

rear yard of not less than fifty (50) feet; with the exception that no said structure shall be built within one hundred and fifty (150) feet of any dwelling which is in existence, or under construction, at the time of construction of the aforementioned uses.

e. Accessory uses shall include, but not be limited to, restaurant, function rooms, news stands, cigar stores, drug stores, barber or beauty shops, and gift shops which may be conducted for the convenience of the occupants of the motel, provided there is no entrance to such place of business except from the inside of the building, and further provided, there shall be no exterior advertising display for such accessory uses except on the sign which advertises the principal use of the lot.

f. There shall be parking space for automobiles provided on the lot sufficient to furnish one (1) reasonably accessible automobile space, exclusive of circulation area, for each guest sleeping room in the building(s), plus parking spaces as provided for in Schedule IV-3 Off-Street Parking of this By-Law for a restaurant and meeting rooms on the premises.

B. In a High Density Traffic Business District, the following uses are permitted as authorized on appeal by the Board of Appeals and as specified in Section VIII - 2 B hereinafter:

1. Repair garage for vehicles in use, excluding junk storage or salvage operations, provided that such use will not interfere with the safety of vehicular and pedestrian movement in the vicinity, and that the building is so insulated and maintained as to confine noise to the premises.

a. Open lot for parking or sale of used automobiles not operated in connection with a salesroom for new automobiles.

2. Drive-in restaurant or eating place

3. Restaurant or other place for the sale and consumption on the premises of food or non-alcoholic beverages.

ARTICLE - To see if the Town will vote to amend Section VIII-2 Appeal B. 1. i. of the Zoning By-Law by inserting the numerals and letter "III-5 B" immediately following "III-4 B", so that the first sentence reads as follows; or do anything in relation thereto.

i. Authorize uses under Sections III-1B, III-2B, III-3B, III-4B and III-5B, as specified therein, after a report thereon from the Town Planning Board.

ARTICLE - To see if the Town will vote to amend Section V Height, Area and Yard requirements of the Zoning By-law by the addition of the following new requirements; or do anything else in relation thereto.

District High Density Traffic Business; Minimum Lot Area for Use Permitted without Appeal - 40,000 sq. ft.; Minimum Lot Area for Use Permitted on Appeal - 40,000 sq. ft.; Minimum Lot Frontage for Use permitted without appeal - 200 ft.; Minimum Lot Frontage for use permitted on Appeal - 200 ft.; Maximum Height - 2½ stories or 38 ft; Minimum Set-back from Center Line of Street - 60 ft.; Minimum Front Yard Depth - 50 ft.; Minimum Width for each Side Yard - 25 ft.; Minimum Rear Yard Depth - 60 ft.; Minimum Lot Depth - 200 ft.; Maximum Lot Coverage for Buildings or Structures - 25%.

ARTICLE - To see if the Town will vote to amend Section III-1. Uses in Rural, Single Residence A and Single Residence B Districts on the Zoning By-law by the deletion of the following; or do anything else in relation thereto.

B. 5. Clubhouse, lodge, or other non-profit recreational, social, educational or civic use operated for members, excluding out-door use of fire arms.

ARTICLE - To see if the Town will vote to amend Section III-2 Uses in Neighborhood Business Districts of the Zoning By-law by the deletion of the following, or do anything else in relation thereto.

A. 4. Restaurant or other place for the sale and consumption on the premises of food or non-alcoholic beverages, provided that no dancing is permitted and no entertainment is furnished.

ARTICLE - To see if the Town will vote to amend Section III-3 Uses in General Business Districts of the Zoning By-law by the deletion of the following, or do anything else in relation thereto.

A. 3. Hotel, Motel subject to the following conditions, which shall apply to motels only:

a. For the purpose of this by-law, a motel shall be defined as a structure or structures, containing sleeping rooms of one or more rooms attached to each other, and intended to be rented for brief periods of time for the accommodation of travelers or tourists, with a public restaurant as an accessory use attached.

b. The minimum lot size shall be 120,000 square feet, having a minimum frontage of 300 feet along a public way of the Town. The gross ground floor area of all buildings, including covered walkways and carports, shall not exceed forty (40) per cent of the gross of the lot; and shall connect with a municipal sanitary sewer.

c. Any structure used for said purpose shall not exceed two and one half (2½) stories or thirty-eight (38) feet in height, but shall be constructed in accordance with the standards specified in the Town Building By-Law in Division No. 2 DEFINITIONS for 'First-Class Building'. The living floor area shall be no less than 20,000 square feet and shall include no less than fifty (50) sleeping units and public restaurant with a seating capacity of not less than (100) one hundred persons. No sleeping room shall be located below the mean finished grade of the ground adjoining the building, and no sleeping unit shall contain cooking facilities.

d. Front yard - No motel shall be permitted within one hundred (100) feet of the sideline of each street on which the lot abuts; Side Yard - There shall be provided side yards of not less than fifty (50) feet in width, which may include a driveway; Rear Yard - There shall be provided a rear yard of not less than fifty (50) feet; with the exception that no structure shall be built within one hundred and fifty (150) feet of any dwelling which is in existence, or under construction, at the time of construction of the aforementioned uses.

e. Accessory uses shall include, but not be limited to, restaurant, function rooms, news stands, cigar stores, drug stores, barber or beauty shops, and gift shops which may be conducted for the convenience of the occupants of the motel, provided there is no entrance to such place of business except from the inside of the building, and further provided, there shall be no exterior advertising display for such accessory uses except on the sign which advertises the principal use of the lot.

f. There shall be parking space for automobiles provided on the lot sufficient to furnish one (1) reasonably accessible automobile space, exclusive of circulation area, for each guest sleeping room in the building(s), plus parking spaces as provided for in Schedule IV-3 Off-Street Parking of this By-Law for a restaurant and meeting rooms on the premises.

5. Any business for the sale of unused merchandise at retail on the premises, including the sale of furniture and other bulk items.

6. Restaurant or other place for the sale and consumption on the premises of food or non-alcoholic beverages.

13. Commercial parking lot or parking garage, filling or service station, salesroom for new automobiles, open lot for parking or sale of new or used automobiles when operated in connection with, and on the same site as, such a salesroom, salesroom for boats, trailers, trucks, farm implements or farm machinery.

14. Indoor amusement or recreation place or place of assembly provided that the building is so insulated and maintained as to confine noise to the premises.

15. Showroom, provided that storage is limited to floor samples.

B. 3. Repair garage for vehicles in use, excluding junk storage or salvage operations, provided that such use will not interfere with the safety of vehicular and pedestrian movement in the vicinity, and that the building is so insulated and maintained as to confine noise to the premises.

a. Open lot for parking or sale of used automobiles not operated in connection with a salesroom for new automobiles.

ARTICLE - To see if the Town will vote to amend Section III-4, Uses in Industrial Districts of the Zoning By-law by the deletion of the following, or do anything in relation thereto.

A. 3. Repair garage for vehicles in use excluding junk storage or salvage

operations.

ARTICLE - To see if the Town will vote to amend Section IV-4, Screening of Open Uses of the Zoning By-law by the addition of the words "High Density Traffic Business District" immediately following the words "Industrial District" in the first sentence; so that the provisions of this section will apply to High Density Traffic Business Districts; or do anything in relation thereto.

ARTICLE - To see if the Town will vote to amend Section V-4 C. of the Zoning By-law with the addition of the words "High Density Traffic Business District" immediately following the words "Industrial District", so that the provisions of this section will apply to High Density Traffic Business Districts; or do anything else in relation thereto.

ARTICLE - To see if the Town will vote to amend Section III-3.B. 2 of the Zoning By-Law by the addition of the words "other than a dwelling", immediately following the words "Any other use", so that the sentence reads as follows:

"2. Any other use, other than a dwelling, permitted on appeal in a Neighborhood Business District, as permitted therein, and not specifically enumerated in Section III-3A," or do anything else in relation thereto.

ARTICLE - To see if the Town will vote to amend the Zoning By-Law and Map of the Town of Wilmington by voting to rezone from Single Residence A District to General Business, the following described parcel of land, to wit:

Being the land of Felice Grossi and Lucille Grossi designated as lot 1, 2, 3, 4, 5, 6, 7, 21, 22, 23 and 24 on a plan entitled "Plan of Land in Woburn and Wilmington, Mass., dated November 1962, H. C. Buttrick, Registered Land Surveyor, Reading, Mass., being further bounded and described as follows: NORTHERLY on Main Street beginning at the Wilmington-Woburn line, 144.4 feet, EASTERLY by Florence Avenue 350 feet, thence the line turns abruptly in a SOUTHERLY way to other land of petitioners located in Woburn 400 feet. Containing 23,000 square feet of land more or less. Request of petitioners.

William G. Hooper, Jr., Chairman
022.29 Wilmington Planning Board

TOWN OF WILMINGTON

BOARD OF SELECTMEN
PUBLIC HEARING

A public hearing will be held in the Town Hall at 8:00 p.m., October 26, 1970, on the application of Mobil Oil Company, 18 North Road, Chelmsford, Massachusetts, to store an additional 5,000 gallons of gasoline underground, in a service station at 316 Lowell Street, corner of Lowell and West Street.

Bruce MacDonald, Chairman

Middlesex, ss.
To all persons interested in the estate of John Pickawer late of Wilmington in said County, deceased.

A petition has been presented to said Court for probate of a certain instrument purporting to be the last will of said deceased by George J. Pickawer of Belmont in the State of New Hampshire praying that he be appointed executor thereof without giving a surety on his bond.

If you desire to object thereto you or your attorney should file a written appearance in said Court at Cambridge before ten o'clock in the forenoon on the tenth day of November 1970, the return day of this citation.

Witness, Joseph W. Monahan, Esquire, First Judge of said Court, this eighth day of October 1970.
John V. Harvey, Register.

CHESTNUTS? Yes, Chestnuts, on the 'farm' of Hugh Wiberg, on Andover Street, who grew the pumpkin shown in last week's issue of the Town Crier. Hugh has 18 different fruit trees, and 11 nut trees, in his back yard of two thirds of an acre.

One hand holds real chestnuts, ready to eat - although not the native American chestnut. It is the Chinese variety - resistant to blight. The other hand holds some filberts, not yet picked.
